Re: RPAC requests that the BLM remove an abandoned vehicle in Mill Canyon as soon as feasible

The Antelope Valley Regional Planning Committee requests that the BLM remove the vehicle that has been abandoned on BLM land adjacent to the Little Antelope Wildlife Area in Little Antelope Valley in northern Mono County. The vehicle is a Dodge Dakota pickup with a VIN of 1B7GL26Y7MS258640 and an expired Nevada paper plate of NX-189-527. This vehicle located 1.5 miles up Mill Canyon Road, has been in this location for around two years and detracts from the scenic beauty and habitat values of our area.

We ask that the BLM consider this request and thank you for your consideration.

Sincerely,

Eric Edgerton, Chair Antelope Valley RPAC
