A RESOLUTION OF THE MONO COUNTY BOARD OF SUPERVISORS ADOPTING FEES FOR CERTAIN COUNTY PERMITS AND OTHER SERVICES

WHEREAS, County departments are authorized and directed by provisions of state law and the Mono County Code to perform various services, including but not limited to processing applications for permits; and

WHEREAS, applicable provisions of state law and the Mono County Code authorize the County to charge fees for the services of its departments in amounts not to exceed the County's reasonable costs of providing such services; and

WHEREAS, the fees presently charged by the County for certain services are insufficient to fully recover the County's costs of providing those services; and

WHEREAS, the Board of Supervisors has conducted a duly noticed public hearing regarding certain proposed new, corrected, or increased fees, in accordance with Government Code sections 66016 and 66018, and other applicable laws; and

WHEREAS, based on the testimony presented at the public hearing as well as the oral and written staff reports also presented to the Board in connection with the hearing, the Board finds and determines that the fees set forth in this Resolution will not exceed the County's reasonable costs of providing the services for which the fees are charged;

NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF MONO RESOLVES that:

SECTION ONE: Pursuant to applicable provisions of state law and the Mono County Code, the new or increased fees set forth on the Exhibit attached hereto and incorporated herein are hereby adopted and shall take effect on July 1, 2025, except those fees upon a development project, as defined in Government Code section 66000 shall be effective no sooner than 60 days following the adoption of this resolution, in accordance with Government Code section 66017. Any existing County fees not modified by the Exhibit shall remain in full force and effect.
