8/12/25 Meeting, Item #9a. Lundy Mutual Water Company Gap Funding Request
Public Comments

Dear Supervisors, as a 25-year-old property owner in Mono City, I write to thank you for considering making a loan to the Lundy Mutual Water Company for its current waterline project. I hope you will approve this loan at your August 12 meeting. The upgrades to the system are urgently needed. The LMWC board is competent and has worked diligently to plan the project and seek state funding. I have full confidence in this project and those in charge, and I hope that you do too.

Thank you,

Heidi Hopkins
