

DEBT REDUCTION PROGRAM

What is the Debt Reduction Program?

It allows eligible parents with past-due child support payments to reduce the amount they owe to the government. If you qualify, you will be able to offer a compromise repayment and reduce or eliminate the additional amount you owe to the state.

How do I qualify?

You must be able to pay both your current child support obligation and an ongoing debt payment. Your current income, assets, expenses, and the size and makeup of your family are all taken into account.

How do I apply?

Give us a call at **866-901-3212** or drop by **1360 N. Main St Ste #237, Bishop, or 126 Old Mammoth Road, Ste #202, Mammoth Lakes**, to get an application. You can also email your case worker or our general email at info@inyo.cse.ca.gov.

All repayment offers considered!
We look forward to working with you!
