## TOWN OF MAMMOTH LAKES CEQA NOTICES filled 2024

NUMBER	TYPE of	TITLE and DESCRIPTION	DATE POSTED
TM 24-001	Notice NOE	Administrative Design Review (ADR) 23-002 approves the proposed design and construction of a new 4,667 square foot single-family residence and 1,198 square foot accessory dwelling unit at 145 Le Verne Street on a 0.47-acre lot. The property is located in the Rural Residential (RR) zoning district in The Bluffs subdivision.	01/19/2024
TM 24-002	NOE	Use Permit 23-002 allows the construction of an 80-foot tall "stealth monopine" cell tower at Mammoth Lakes Fire Protection District Station #2. The application was filed by Eukon Group on behalf of AT&T, in accordance with Chapters 17.32 (Special Purpose Zoning Districts) and 17.68 (Use Permits) and Section 17.52.280 (Telecommunication Facilities) of the Town of Mammoth Lakes Municipal Code for a property located within the Resort (R) zoning district at 1574 Old Mammoth Road. The proposed project meets all the requirements of the Town of Mammoth Lakes Municipal Code and General Plan.	02/15/2024
TM 24-003	NOE	Variance 23-001 allows a 40% reduction of the front setback to allow for a 15-foot front setback where a 25-foot setback would otherwise be required for a proposed new single-family residence and attached garage at 13 Davison Road. The application was filed by Matthew Smith on behalf of the property owners, the Mascher Trust in accordance with Chapters 17.72 (Variances) of the Town of Mammoth Lakes Municipal Code, for a property located within the Residential Multi-Family 2 (RMF-2) zoning district at 13 Davison Road. The proposed project meets all the requirements of the Town of Mammoth Lakes Municipal Code and General Plan.	02/15/2024
TM 24-004	NOE	Trucked Recycled Water Program Use Area Expansion The project expands the trucked recycled water program of the current boundary to an expanded area. The intent of the project is to allow water haulers to transport disinfected secondary 2.2 recycled water or tertiary recycled water within economical hauling distances from the District's wastewater treatment plant for the following uses: backfill consolidation around non-potable piping, soil compaction, mixing of concrete, dust control on roads and streets, cleaning roads, sidewalks, and outdoor work areas, and restricted access freeway landscape irrigation. The project will lessen the impact on small water systems in the region who have been supplying potable water for this need. The District has an approved Title 22 Engineering Report, satisfying State requirements for a trucked recycled water program.	03/28/2024
TM 24-005	ND	Town of Mammoth Lakes Childcare Center 6-960 sq. ft. modular units with combined size of 6670 sq. ft. as an addendum to TM 19-009	04/04/2024
TM 24-006	NOE	APL 24-001 – Appeal of the February 14, 2024 Planning and Economic Development Commission Decision to approve Use Permit Application 23-002 for the construction of an 80-foot tall "stealth monopine" cell tower located at 1574 Old Mammoth Road.	04/05/2024

	_	Design Review (DR 23-0005) consists of a complete renovation of the existing 2-story Mammoth Mall	04/42/2024
TM 24-007	NOE	structure to improve the existing commercial building consisting of restaurant, retail and office uses as well as	04/12/2024
		the addition of a new feature restaurant, ground floor patio and two second floor outdoor decks.	
		Mammoth Mall Remodel (DR 23-005) (AP – 23-004)	
TM 24-008	NOE	Master Sign Program (MSP) 23-001, proposes Master Sign Program to be implemented for the Outbound Hotel	04/12/2024
	IVOL	project, in accordance with Chapters 17.48.050 (Master Sign Program) of the Town of Mammoth Lakes Municipal Code, for property located within the Clearwater Specific Plan (CSP) zoning district at 164 Old Mammoth Road; The	
		beneficiaries of the project are the property owners, WH SN Mammoth, LLC.	
TM 24-009	NOE	Rockspring- Resort Condominium Development Project Tentative Tract Map 24-002. Use Permit 24-001, and Design	04/12/2024
		Review 24-001) Located at 6040, 6042, and 6060 Minaret Rd	
TM 24-010	NOE	The Town of Mammoth Lakes Civic Center Project consists of a 2-story, 19,337 square foot municipal office building for the Town of Mammoth Lakes and associated site improvements (parking, walkways, landscaping).	04/12/2024
		The project site is 2.1 acres in size and is a part of the larger 11-acre Civic Center plaza property.	
TM 24-011	NOE	Adjustment 24-002 permits a 20% reduction to	04/23/2024
1101 24-011	NOE	the 20'-0" rear yard setback to allow for an increase in the building footprint size of approximately 400 square feet	, -, -
		(2-story, 724 square foot increase in habitable space) for an addition to the eastern side of the existing single-family residence located at 445 East Bear Lake Drive. The Adjustment was filed by Mike Britton of Britton Architecture on	
		behalf of the owners, Craig and Stacy Bloom. The project meets the applicable Mammoth Lakes Municipal Code	
		standards and requirements.	
TM 24-012	NOE	2024 Water and Wastewater System Improvements Replacing and/or rehabilitating existing water and sewer	05/20/2024
		infrastructure owned and operated by District. Water system work will include replacing existing galvanized water laterals with polyethylene pipe and/or replacing old water meter assemblies with newer assemblies.	
		Some water meters will be moved to more accessible locations, along the existing lateral, in previously	
		disturbed locations. Sewer projects will include repairing or rehabilitating existing wastewater collection	
		system infrastructure- manholes, main lines and laterals.	
TM 24-013	NOE	Tank T-2, Tank T-7, & LMTP Backwash Tank Coating System Rehab. The Purpose of the project is to	05/20/2024
		re-coa2t and rehabilitate existing potable water tanks. The tanks are owned and maintained by	
		MCWD. The tank capacities are 1 million gallons, 0.5 million gallons and 50,000 gallons.	
TM 24-014	NOE	Campus Pavement and Drainage The Purpose of the project is to repave existing facilities owned	05/20/2024
	1102	and maintained by the District. The project is limited in scope to the existing facilities. The existing	
		pavement is 30+ years old, and due to settling of the ground over time, additional improvements to	
		the stormwater drainage is required.	
TM 24-015	NOE	2024 Laurel Pond Monitoring Well Installation. Treated wastewater effluent from the Mammoth	05/20/2024
1141 24 013	NOL	Community Water District is disposed of at Laurel Pond, an effluent dominated pond located east of	• •
		the Town of Mammoth Lakes. Effluent disposal to Laurel Pond is permitted by the Lahontan	
		Regional Water Quality Board and they have determined that the existing monitoring wells are not	
		screened in the correct location to comply with their monitoring requirements. This projects scope	
		acreemed in the correct location to comply with their monitoring requirements. This projects scope	

	Τ		T
		is to install three (but up to four) new monitoring wells adjacent to the four existing monitoring	
		wells that were installed in the summer of 2021. These monitoring wells will be sampled for	
		compliance as well as to provide data for on-going studies.	
TM 24-016	NOE	Valentine Reserve Prescribed Pile Burn. To reduce fuels in Valentine Reserve from a 25-acre fuel reduction project by prescribed pile burn of slash piles. There are approximately 150 piles dispersed over 9 acres. To reduce the risk of catastrophic fire by improving fire resiliency through vegetation treatments. Focus is on removing brush, vegetation and ground litter, reducing the amount of hazardous fuels in the reserve, which will help prepare for, and avoid the impact of an out of control catastrophic wildfire.	05/20/2024
TM 24-017	NOE	Administrative Design Review 24-002 permits construction of a 2332 SqFt single-family residence	05/21/2024
		with an 877 sqft detached accessory dwelling unit located at 2428 Fir St. in the Bluffs subdivision.
