Mono County Office of Emergency Management Launches Fire Insurance Cancellation Resources Webpage on READY Mono Portal

MONO COUNTY, Calif. (September 4, 2024) – Last week, the Mono County Office of Emergency Management launched their new [Fire Insurance Cancellation Resources](#) informational webpage on the READY Mono portal to help residents facing fire insurance non-renewal or cancellation. The Fire Insurance Cancellation Resources [page](#) offers various resources and guidance on what steps to take if your insurance is not renewed.

“Like many Californians, Mono County residents are seeing their fire insurance cancelled or raised astronomically,” said Chris Mokrcek, Director of Mono County Emergency Management. *“This new informational website is meant to serve as a resource for residents who have had their insurance cancelled. It also offers tips on how to make your home more resistant to wildfire threats, which can help maintain your insurance coverage.”*

Important information found on the Fire Insurance Cancellation Resources page includes:

- **Fire Insurance Resources:** Information from the California Department of Insurance, United Policy Holders, and a Claim guide.
- **Preparedness:** Wildfire preparedness tips from Firewise USA, Cal Fire, a Wildfire Risk to Communities tool, and FEMA Preparedness Community.
- **News Articles and Videos:** Various news articles and videos regarding the California insurance crisis.
