To determine the party that you are currently registered with, look on the back of this booklet. The party is identified by the abbreviations listed below.

Voters who are registered with a political party must vote their party's ballot for the office of U.S. President.

Voters registered with No Party Preference may choose to vote a Democratic, American Independent, or Libertarian ballot for the office of U.S. President in the March 3, 2020 Presidential Primary Election.

Voters who wish to vote the ballot of another party for the office of U.S. President must re-register with that party by Tuesday,**February 18, 2020.**

HAVE A VOICE IN MONO COUNTY AND BE COUNTED!
RESPOND TO THE CENSUS IN MARCH 2020!

Every 10 years, the U.S. government counts *every* person living in the U.S., through the census. Make sure that you are counted to get your **fair share** of resources and representation!

Being counted in the census helps you and your family.
- Data from the census are used to divide over **$800 billion dollars** of government funding for important services, like schools, libraries, food stamps, and health care.
- Data from the census are also used to divide political representation in Congress, in your state capitol, and in cities across the country. A complete count means fair representation for your community.

Your census responses are confidential.
- The Census Bureau is not allowed to share your individual information with other government agencies, immigration officials, or the public.
- Strong laws protect your response from being shared!
- By law, your census response can only be used for statistical purposes.

The census asks basic questions about you and the people in your home.
- The census asks for your name, age, date of birth, sex, race, ethnicity, and relationship to other people in your household. It also asks whether you rent or own your home.
- Each household should fill out a form. Remember to include *everyone* who lives at your address, including babies, relatives, and roommates.
- The census will NOT ask about citizenship or immigration status.

Responding to the census is quick and simple.
- **You can respond online.** The Census Bureau will send you instructions in **mid-march 2020.** Once you get those instructions, go to the official census website, enter your household ID, and then answer the questions.
- **You can respond by phone.** Call the Census Bureau to answer the census by phone provided with the instructions and ask questions about the census.
- If you do not respond to the census online or by phone, the Census Bureau will mail you a **paper questionnaire.**

If you do not respond, starting in May 2020, a census employee might come to your home to ask for the information in person.

Campaign Finance Reform

State legislative candidates appearing on ballots in Mono County who adopt voluntary campaign expenditure limits may purchase space in the Voter Information Guide for publication of a candidate statement. STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, 8TH DISTRICT

BOB CONAWAY   **Age 67**

Occupation: Attorney

Education and Qualifications: First, we need to pass the Audit the Fed law. An example of how out of control the Federal Reserve is: since Sept. 17, the Federal Reserve Bank of New York has pumped billions of dollars into the repurchasing bad debts market, the first such intervention since 2009. The Federal Reserve has announced that it will continue to inject as much as $75 billion a day into the bad debt market until Nov. 4. The American people are not told what banks benefited from the Fed's intervention or what plans the Fed is making for future bailouts — even though we will pay for those bailouts either through increased taxes, debt, or the Federal Reserve's hidden inflation tax. Second, political change will never come without passing & funding secure ballot, counting & tabulation laws. Third we need to protect Social Security against Congress borrowing from it and not paying borrowed funds back. Fourth, our defenders need better pay & benefits & the best tools needed to carry out their mission. I have successfully represented individuals & business against government abuses. If elected I can continue that fight. I humbly ask for your vote.

UNITED STATES REPRESENTATIVE, 8TH DISTRICT

JAY OBERNOLTE

Education and Qualifications: Federal spending is out of control! Our federal budget deficit will exceed $1 trillion this year and our national debt is now over $23 trillion. We must take control of our government!

I believe I can help. As a business owner, I have the real-world experience to solve problems and get things done. I started my company 30 years ago and grew that successful business by balancing budgets and controlling costs. I also learned how government should work to increase prosperity for everyone.

I've also represented you in the State Legislature for the last 6 years, serving as Vice-Chair of the Assembly Budget Committee and on the Joint Legislative Audit Committee. In those capacities I have cut wasteful spending and voted to audit the bullet train and DMV. I've also passed legislation making state government more transparent and efficient, cutting regulations and saving taxpayers money.

As your Representative I will fight to:

- Protect taxpayers and balance the budget
- Grow our economy and create jobs
- Reduce the cost of healthcare
- Prioritize and honor our veterans
- Strengthen our national defense
- Preserve our constitutional liberties

Outgoing Congressman Paul Cook endorsed me because he trusts me to keep our country safe. The Howard Jarvis Taxpayers Association has endorsed me because I am a proven tax fighter. My record passing legislation cracking down on criminals has also earned me the endorsement of the California Coalition of Law Enforcement Associations.

I would be honored to earn your vote. Learn more about my values at www.ElectJay.com.

DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS, DISTRITO 8

JAY OBERNOLTE

Educación y Calificaciones: ¡Los gastos federales están fuera de control! Este año, nuestro déficit presupuestario federal excederá $1 billón y ahora nuestra deuda nacional supera los $23 billones. ¡Debemos tomar el control de nuestro gobierno!

Creo que puedo ayudar. Como propietario de una empresa, tengo la experiencia del mundo real para resolver problemas y hacer las cosas. Comencé mi compañía hace 30 años e hice crecer este negocio exitoso al equilibrar los presupuestos y controlar los costos. Además, aprendí cómo debe trabajar el gobierno para incrementar la prosperidad de todos.

También lo representé en la legislatura estatal durante los últimos 6 años, sirviendo como vicepresidente del Comité Presupuestario de la Asamblea y en el Comité Conjunto de Auditoría Legislativa. En esas funciones, reduje el gasto innecesario y voté por la auditoria del tren bala y del Departamento de Vehículos Motorizados (Department of Motor Vehicles, DMV). También aprobé la legislación para logar más transparencia y eficacia en el gobierno del estado al reducir las reglamentaciones y ahorrar el dinero de los contribuyentes.

Como su representante, lucharé por:

- proteger a los contribuyentes y equilibrar el presupuesto
- incrementar nuestra economía y crear empleos
- reducir los costos de la atención médica
- priorizar y honorar a nuestros veteranos
- fortalecer nuestra defensa nacional
- preservar nuestras libertades constitucionales

El actual congresista Paul Cook me respalda porque confía en mí para mantener nuestro país a salvo. La Asociación de Contribuyentes Howard Jarvis me respalda porque he demostrado ser un luchador fiscal. Mi experiencia en la aprobación de legislaciones contra los delincuentes hizo que me ganara el respaldo de la Coalición de Fuerzas del Orden Público de California.

Sería un honor para mí ganarme su voto. Obtenga más información sobre mis principios en www.ElectJay.com.

UNITED STATES REPRESENTATIVE, 8TH DISTRICT

TIM DONNELLY   **AGE:53**

Occupation: Manufacturing Sales Engineer

Education and Qualifications: I'm Tim Donnelly—the Trump Conservative in this race.

Former CA State Assemblyman. Minuteman Leader. Business owner.

Why should you vote for me? If you want to know what I'll do in office, look at what I've done:

In 2005, before ever putting my name on a ballot, I ran a prison Bible Study for 8 years. I founded the largest Minuteman Group in the state of CA—organizing a huge border watch operation. The media attention on our efforts shamed the Federal Government into doing it's job, and sparked national awareness of the border crisis.

In 2011, while many of my colleagues in the Legislature were enjoying lobbyist junkets in Hawaii, I led the statewide effort (gathering $450K signatures) to repeal the Dream Act—which gives illegal aliens free college tuition (paid for by you and I).

In 2014, I gave up my Assembly seat in order to save CA and our Gun Rights by running for Governor against Jerry Brown, pushing my bill to make it cheaper and easier for every law-abiding citizen to get a CCW.

Later that year, I led a successful protest against the visiting Mexican President—who had come here to negotiate more rights for his illegal citizens in CA. Our efforts led to the release of US Marine Sgt. Andrew Tahmooressi, suffering PTSD, and stuck in a Mexican jail for making a wrong turn.

I will always put America First—and have our Veteran's and our President's back.

UNITED STATES REPRESENTATIVE, 8TH DISTRICT

CHRISTINE BUBSER

Occupation: Engineer/Biotechnology Advisor

Education and Qualifications: Washington needs a dose of truth for a change. Partisan politicians and big corporations have put themselves first for too long. Government should work for us, not partisan and special interests.

I've spent my life working to promote fact-based solutions that improve lives. That's what we need in a representative and it's why I'm running for Congress.

I was born in Pennsylvania coal country and started working at age 14. I earned an engineering degree at Lehigh and an MBA at UCLA. For two decades, I built a career in biotechnology, helping to bring lifesaving treatments to patients.

Yet I still had to fight my insurance company to get our daughter the coverage and care she needed for her epilepsy. That's when I realized Washington needed to change, so people are the priority, not corporate profit.
As your representative, I'll get results that:

Reduce healthcare and prescription drug costs;

Create well-paying, sustainable jobs in our communities;

Strengthen education from preschool through college and career training;

Defend our environment and combat climate change;

Ensure our soldiers and veterans get the services they deserve; and

Protect the Social Security and Medicare benefits retirees have earned.

As a homeowner and member of the Mammoth Lakes community for 13 years, I love the Eastern Sierra, Mojave Desert, and Inland Empire. In Congress I will fight for everyone in these communities.

I'm proudly endorsed by the California Democratic Party, California League of Conservation Voters, and Inland Empire Labor Council, which represents thousands of local working families.

DECLARACIÓN DE CANDIDATA PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS, DISTRITO 8

CHRISTINE BUBSER

Occupación: Ingeniera/Asesor de Biotecnologia

Educación y Calificaciones: Washington necesita una dosis de la verdad por un cambio de lo normal. Los políticos partidistas y las empresas grandes se han puesto en primer lugar por demasiado tiempo. El gobierno debería trabajar para nosotros, no para intereses partidistas y especiales.

He pasado mi vida promoviendo soluciones basadas en la verdad y para mejorar la vida de las personas. Eso es lo que necesitamos en un representante y la razón por la cual me postulo para el Congreso.

Nací en Pennsylvania, región del carbón, y empecé a trabajar a los 14 años. Obtuve un título en Lehigh y uno de la maestría en negocios (MBA) en UCLA. Por dos décadas edifiqué una carrera en la biotecnología y les proveí medicamentos vitales a pacientes.

Sin embargo, tenía que pelear con las compañías de aseguranza para obtener la cobertura y la asistencia que necesitaba nuestra hija para su epilepsia. Eso fue cuando me dí cuenta de cómo Washington necesita cambiar. Que la gente sea la prioridad y no el lucro corporativo.

Como su representante, obtendré resultados que:

Reducirán los costos de cuidado de la salud y de las prescripciones;

Crearán trabajos bien pagados y sostenibles en nuestras comunidades;

Fortificarán la educación desde el jardín de niños hasta la universidad y entrenamiento profesional;

Defenderán nuestro medio ambiente y combatirán el cambio climático;

Asegurarán que nuestros soldados y veteranos tengan los servicios que merecen; y

Protegerán los beneficios del Seguro Social y Medicare que los jubilados han ganado.

Siendo una propietaria y socia de la comunidad de Mammoth Lakes por 13 años, me encanta lo que ofrecen la Sierra oeste, el desierto Mojave, y el Inland Empire. En el Congreso lucharé por todas las personas en estas comunidades.

Estoy orgullosamente respaldada por El Partido Democrático de California, La Liga de Votantes de California por la Conservación, y El Consejo de Labor del Inland Empire, lo cual representa miles de familias trabajadores locales.

STATEMENT OF CANDIDATE FOR
STATE ASSEMBLY, 5TH DISTRICT

FRANK BIGELOW   **Age 66**

Occupation: Rancher/Businessman/Assemblyman

Education and Qualifications: Too often elected representatives forget where they come from, who they work for, and what they stand for. Fortunately, your continued support keeps me firmly rooted in our community and our values.

Those values provide the strength to defend us against liberal policies that threaten our way of life and the fabric of our community. As a husband, father and grandfather I have every reason in the world to continue the fight and keep us united.

My priorities remain protecting our region; we must restore our forest health, ensure our communities stay safe, and protect taxpayers by making California affordable. It's clear we have our work cut out for us.

For years, environmental extremists prevented us from thinning our forests to guard against catastrophic wildfires. Thankfully, I joined with Republicans and Democrats to craft a solution that strengthened our wildfire prevention efforts and directed much needed funding toward forest health to keep us safe. I'm honored to have the support of front-line firefighters.

And when it comes to keeping our community safe from violent crime, I'm as tough as they come. I'm especially proud that my record of supporting tougher penalties has earned the support of front-line law enforcement.

I'm even more honored that my work to lower taxes and stop policies that have made California unaffordable have earned me top marks from the Howard Jarvis Taxpayers Association.

What really matters most is having your trust and your vote to continue serving as your voice in the State Assembly.

STATEMENT OF CANDIDATE FOR
COUNTY SUPERVISOR, 3RD DISTRICT

BOB GARDNER

Education and Qualifications: I believe I deserve another term on the Mono County Board of Supervisors because I have represented my district residents well, listening to their concerns, keeping them informed, and accomplishing much.

With my colleagues on the Board, we have improved the County financial condition, increasing our reserves substantially while at the same time making careful spending decisions. We have also addressed several challenges, including stabilizing our Emergency Medical Services, creating short-term rental and cannabis regulations, and building increased support for our recreation economy through innovative collaboration with our federal agency partners.

There is still more to do to ensure our residents and visitors enjoy an increased quality of life and a positive experience in Mono County. We need to continue to work hard supporting our businesses and recreation-based economy through effective advocacy with state and federal officials, and pursuit of grants and other financial assistance. We must protect our public lands and rebuild our aging infrastructure, including campgrounds, trails, visitor centers, restrooms, and other facilities. We also need to increase housing and childcare options for our workforce.

I look forward to continuing to work hard to make Mono County the best place to live, work, and play.

s/ Bob Gardner

DECLARACIÓN DE CANDIDATO PARA
SUPERVISOR, DISTRITO 3

BOB GARDNER

Educación y Calificaciones: Creo que merezco otro periodo en la Junta de Supervisores del Condado de Mono porque he representado bien a los residentes de mi distrito, al escuchar sus preocupaciones, mantenerlos informados y lograr mucho.

Junto con mis compañeros de la junta, mejoramos la condición financiera del condado al incrementar nuestras reservas considerablemente, al mismo tiempo que tomamos decisiones cuidadosas sobre los gastos. Además, enfrentamos varios desafíos, como la estabilización de nuestros servicios médicos de emergencias, la creación de reglamentaciones a corto plazo para la renta y el cannabis, y la creación de un mayor apoyo para nuestra economía recreativa mediante la colaboración innovadora con nuestros socios de las agencias federales.

Aún hay mucho más que hacer para garantizar que nuestros residentes y visitantes disfruten y mejoren su calidad de vida y tengan una experiencia positiva en el condado de Mono. Necesitamos seguir trabajando duro para apoyar a nuestros negocios y la economía con base en la recreación a través de una defensa efectiva junto con los funcionarios estatales y federales, y la búsqueda de subvenciones y otros servicios financieros. Debemos proteger nuestros espacios públicos y renovar nuestra infraestructura vieja, incluidos los campamentos, los senderos, los centros de visitantes, los baños y otras instalaciones. También necesitamos incrementar las opciones de vivienda y cuidado infantil para nuestros trabajadores.

Espero seguir trabajando duro para hacer del condado de Mono un mejor lugar para vivir, trabajar y jugar.
