#### California Trusted Information

Mono County and the Secretary of State's Office is committed to ensuring that elections are free, fair, safe, secure, accurate, and accessible. Misinformation and disinformation continues to confuse voters and sow distrust in the electoral process. The Secretary of State's Rumor Control page is designed to provide clear and accurate information in response to some of the most widespread rumors about elections.

#### California Trusted Information

Reality: You can vote for as many or as few contests as you choose.

Rumor: If I leave something blank on my ballot, my ballot will not be counted.

Facts: A blank contest on a ballot is known as an undervote. An undervote occurs when a voter intentionally or unintentionally does not vote in a specific contest. Properly marked votes on the ballot will then be counted. Democracy happens one contest at a time and every vote matters.

In addition, you can sign-up at WheresMyBallot.sos.ca.gov to receive automatic email, SMS (text), or voice call notifications about your ballot's status.
