A post office box may be stated in lieu of a street address if the candidate's, candidate-controlled committee established for an elective office for the controlling candidate's, or political party committee's address is a matter of public record with the Secretary of State.

If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

A candidate, candidate-controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass electronic mailing unless the name of the candidate or committee is shown in the electronic mailing preceded by the words "Paid for by" in at least the same size font as a majority of the text in the electronic mailing.

For purposes of this section, the following terms have the following meaning:

"Mass electronic mailing" means sending more than 200 substantially similar pieces of electronic mail within a calendar month.

To "pay for" a share of the cost of a mass mailing means to make, to promise to make, or to incur an obligation to make, any payment to any person for the design, printing, postage, materials, or other costs of the mailing, including salaries, fees, or commissions, or as a fee or other consideration for an endorsement or, in the case of a ballot measure, support or opposition, in the mailing.

## **PRINT ADVERTISEMENTS**

## **VIDEOS**

A video advertisement, including television and videos disseminated over the Internet, shall include the required disclosures in writing at the beginning or end of the advertisement in a text that is of sufficient size to be readily legible to an average viewer and in a color that has a reasonable degree of contrast with the background of the advertisement for at least four seconds. The required disclosure must also

be spoken during the advertisement if the written disclosure appears for less than five seconds of a broadcast of 30 seconds or less or for less than 10 seconds of a broadcast of 60 seconds or more [Government Code §84504.5].

## **TELEPHONE CALLS**

This section does not apply to telephone calls made by the candidate, the campaign manager, or individuals who are volunteers

Unless the organization that authorized the call and in whose name it is placed has filing obligations under this title, and the name announced in the call either is the full name by which the organization or individual is identified in any statement or report required to be filed under this title or is the name by which the organization or individual is commonly known, the candidate, candidate controlled committee established for an elective office for the controlling candidate, political party committee, or slate-mailer organization that paid for the call shall be disclosed.

A candidate, committee, or slate-mailer organization that pays for telephone calls shall maintain a record of the script of the call for the period of time set forth in Government Code Section 84104. If any of the calls qualifying under subdivision (a) were recorded messages, a copy of the recording shall be maintained for that period [Government Code §84310].
