

FISCAL AND TECHNICAL SPECIALIST III

DEFINITION

Under general supervision, to perform a variety of the more complex, specialized account, statistical, document processing, and technical record keeping and support work; to review fiscal records, applications, or specialized documents and information, assisting the public and/or other County staff with the accuracy and completeness of the information; to assist others with the understanding of department/work unit procedures and requirements; to provide a variety of information about department/work unit services and functions; to perform a variety of advanced technical and office support work; and to do related work as required.

DISTINGUISHING CHARACTERISTICS

This is the third and advanced journey working level in the Fiscal and Technical Specialist class series. Incumbents perform a variety of the more complex, specialized financial, statistical, and document processing work requiring substantial knowledge of the policies, procedures, and special requirements of the department or work area to which they are assigned. Incumbents may be assigned to a specific work area as dictated by the needs of the County, or a County department. They are also expected to have the knowledge and capability to perform assignments and provide assistance outside of the specialized work areas. This class is distinguished from Fiscal and Technical Specialist II by the fact that Fiscal and Technical Specialist III is the advanced journey level with incumbents expected to have comprehensive knowledge of a specialized assignment area and also have the capability to perform work assignments in a variety of functions and areas of the department or work unit where assigned, as needed. Fiscal and Technical Specialist II's are not expected to have the breadth and scope of assignments or the degree of comprehensive knowledge expected of Fiscal and Technical Specialist III. This class is distinguished Fiscal and Technical Services IV by the fact the IV level is limited to very few positions which have relatively independent responsibility for a major portion of a department's accounting system, countywide benefits, countywide human resources support, information technology technical support, or providing substantial lead work or work coordination for at least 2 other staff.

REPORTS TO
