ABOUT MONO COUNTY

ono County is a destination that is full of opportunity and adventure. Set on the eastern slope of California's Sierra Nevada mountain range, Mono County is a rare environment of natural contrasts: soaring granite peaks, spacious desert vistas, serene lakes and cold mountain streams, deep winter snows and sunny summer skies.

With a year-round population of roughly 14,000 spread over 3,000mi.² of geography, we are considered a frontier county. The County seat is located in Bridgeport - situated 350 miles north of Los Angeles and 120 miles south of Reno. The Town of Mammoth Lakes is a world-class resort destination, and the only incorporated city in Mono County with a year-round population of 8,000.

Our natural playground is matched with a complete range of amenities and activities making it an ideal place to establish a healthy work-life balance. The Mammoth Yosemite Airport (MMH) offers year-round direct flights to LAX, and several other destinations throughout the winter season. Additionally, several of our communities boast Gigabit broadband speeds at price points that are roughly half the national average.

Looking for a unique opportunity where a great quality of life is matched with a high-performing team focused on implementing modern and sophisticated technology solutions? This might be the job for you!

The Mission of Mono County IT is to:

Provide exceptional customer service by implementing technology that improves efficiency, empowers the workforce by ensuring dependability, accountability, and government transparency.

More information about the culture and work of the Mono County IT Department can be gained from our strategic plan, available under Supporting Documents at https://monocounty.ca.gov/it.

BENEFITS: Mono County provides generous benefits, including CalPERS retirement, medical, dental, vision and 401 deferred compensation.
