Reports:

Bob Gardner:

EV Charger- still working on

Pickleball - Would need tennis court conversion? Julie to provide more info at next meeting.  
(future agenda item).

Things have generally gone well over the summer.

Parking has been an issue at June Lake beach.

There are concerns with ATVs coming into town - though hasn't been a really big problem.

Chair (Julie):

A lot of firewood provided by the mountain this year.

Really busy summer for June Mountain.

Finished upgrades to the network on the mountain (new cable, radio upgrades)

Kevin:

Chamber of commerce getting ready for Leaves in the Loop

David:

Parker Bench boardwalk rebuild update.

Claire:

No report

Wendy: describe function of RPACs

Planning staff:

Wendy: One special use permit application for swim spa. Last Month: combined LTR/STR application for use permit. Denied due to moratorium. Appeal not successful.

David: Why not make moratorium cover what is wanted to allow for consistent application of policy? Wendy: That is in the works.

Kevin: How to register opposition to RV park on Marzano lot. Wendy: Described process for registering opposition but no application has been filed yet.

COVID update:

Report yesterday, numbers are down as of last week. One hospitalization. New booster available by end of the month.
