**DIRECTOR REVIEW
INFORMATION**

INTRODUCTION:

A Director Review (DR) permit is an administrative permit issued by the Planning Director that avoids the time and expense of a public hearing before the Planning Commission. Director Review permits typically are issued when sufficient standards are contained in the Mono County General Plan, when projects are minor and noncontroversial, and when exempt from the California Environmental Quality Act (CEQA). Director Review permits may be processed with or without notifying adjacent property owners. A DR permit without notice takes approximately one to three weeks to process. A DR permit with notice takes approximately four to six weeks, which typically includes a 10-day review and comment period.

APPLICATION PACKET SHALL INCLUDE:

- A. Completed application form.
- B. Completed Project Information form.
- C. Detailed plot plans meeting the requirements of the attached plot plan guidelines (one copy no larger than 11" x 17").
- D. Elevations or flat-scale drawings of the proposed project (one copy no larger than 11" x 17").
- E. Floor plans of project (One copy no larger than 11" x 17").
- F. Deposit for project processing: See Development Fee Schedule for Director Review.
- G. Environmental Review (CEQA): See Development Fee Schedule for Categorical Exemption.

APPLICATION REVIEW PROCEDURE:

- A. **Application packet submitted** to the Planning Division.
- B. **Planning staff review** of the application packet. If deemed incomplete, the applicant will be notified of the deficiencies. If the packet is complete, the Planning Director will determine whether to review the project with or without notice to adjacent property owners. If the Director determines to issue the permit with notice, a notice will be sent to affected property owners, with a typical comment period of 10 days.
- C. **Preparation of permit and environmental document.** Once the packet is complete and, if applicable, the comment period for noticed projects has ended, staff will prepare the permit and the Categorical Exemption.
- D. **Review by Director.** The Planning Director will review the permit and take action. The permit may be: 1) denied, 2) approved, or 3) approved with conditions. The applicant will receive a copy of the decision. The Director Review permit becomes effective 10 days following the date of the Director's decision unless an appeal is filed.
- E. **Appeal of the decision.** The applicant or other interested parties can appeal the decision of the Planning Director to the Planning Commission. If an appeal is filed, the permit will not be issued until the appeal is considered and the Planning Commission renders a decision. A completed appeal application with accompanying fees must be filed with the Planning Division within 10 days of the decision date.
- F. **Inactive Project.** The project shall be deemed inactive if the applicant has not submitted requested materials from the most recent County correspondence within 180 days, in accordance with 04.360, Mono County Land Use Element.
