4. ACTION ITEM

5. WORKSHOP

- A. Subdivision Ordinance** - A Workshop to review a draft of a comprehensive subdivision ordinance update before bringing the update to a Workshop of the Planning Commission.
Staff: Scott Burns

6. EXTENSION REQUESTS

7. ADJOURN to Regular Meeting on May 4, 2026, at 1:30 PM

For questions on the above projects, please call Community Development at 760-924-1800.

***NOTE:** Start times are only tentative. Although the LDTAC generally strives to follow the agenda as scheduled, it reserves the right to take any agenda item, in any order, and at any time after its meeting starts. The only way to ensure that you are present for a specific agenda item is to attend the meeting from the time it starts until that agenda item is taken up.

*Public comment on any item listed on this agenda will be considered by LDTAC. Once an application is accepted, it will be processed by County Staff and may be considered by the Planning Commission. Public comment made to LDTAC is not automatically transmitted to the Planning Commission, as a project or application may change in response to processing.

In compliance with the Americans with Disabilities Act, anyone who needs special assistance to attend this meeting can contact the LDTAC assistant at 760-924-1804 within 48 hours prior to the meeting in order to ensure accessibility (see 42 USCS 12132, 28CFR 35.130).

AGENDA GUIDELINES

Rules of Order: Project staff introduces item; applicant comments; each department comments; public comments; general discussion; LDTAC action (if applicable); project staff summarizes action/review; project staff records audio minutes to keep on file.

ABOUT THE LAND DEVELOPMENT TECHNICAL ADVISORY COMMITTEE

The Mono County Land Development Technical Advisory Committee (LDTAC) consists of representatives from Public Works, Community Development (Building, Planning, and Code Compliance) and Environmental Health. The LDTAC provides technical review and recommendations on land development projects. Its purposes include facilitating coordination among County departments, promoting efficient and timely permit processing, and providing applicants an inexpensive forum to learn of County requirements early in the development review process.
