**RE: OPPORTUNITY FOR PUBLIC INPUT ON MONO COUNTY LOCAL TRANSPORTATION
COMMISSION'S 2026 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM**

The Mono County Local Transportation Commission (MCLTC) released its proposed projects under its 2026 Regional Transportation Improvement Program (RTIP), which is a multi-year capital improvement program that advances priority projects in the region. The MCLTC views public participation as an important part of the planning process and encourages public input on proposed transportation projects.

Every two years, the California Transportation Commission (CTC) adopts a fund estimate that explains the distribution of funding to each jurisdiction in California over five fiscal years. To obligate funding, each planning agency submits an RTIP that reflects a list of priority projects. These regional projects are added to the State Transportation Improvement Program (STIP) along with interregional projects programmed by Caltrans. The MCLTC received an allocation of \$4.882 million through Fiscal Year 2030-2031.

Proposed and current RTIP projects, as well as information about how projects are selected, may be found online at: <https://monocounty.ca.gov/ltc>

To provide input on the proposed 2026 RTIP, please contact Olya Egorov (oegorov@mono.ca.gov or 760-924-1802). Comments on the RTIP may also be submitted in-person or by mail at:

Olya Egorov, Planning Analyst
Mono County Community Development Department
1290 Tavern Road, Suite 138
P.O. Box 347
Mammoth Lakes, CA 93546

To be noticed for upcoming meeting where the RTIP will be discussed, please contact Olya Egorov (oegorov@mono.ca.gov or 760-924-1802). Additional information on these meetings can be found on the calendar page on the Mono County website at <https://monocounty.ca.gov/calendar>. Interested parties may also register to receive notification of agendas and meeting materials for the MCLTC at <https://monocounty.ca.gov/ltc>.
