## INTRODUCTION

The Federal Transit Administration (FTA) is one of 10 operating administrations within the U.S. Department of Transportation (DOT). The federal government, through FTA, provides financial assistance to develop new transit systems and improve, maintain, and operate existing systems. Public transportation includes buses, subways, light rail, commuter rail, monorail, passenger ferry boats, trolleys, inclined railways, people movers, and vans. Public transportation can be either fixed-route or demand-response service. As a subrecipient of FTA funds, the Mono County Local Transportation Commission (LTC) must have a Title VI Plan to ensure compliance with federal statutory and administrative requirements.

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have a longstanding policy of actively ensuring nondiscrimination under Title VI of the 1964 Civil Rights Act in federally funded activities. This document was prepared by the Mono County LTC to comply with Title VI of the Civil Rights Act of 1964, including new provisions detailed in U.S. Department of Transportation's FTA Circular 4702.1B, "Title VI Requirements and Guidelines for Federal Transit Administration Recipients."

## TITLE VI POLICY

The Mono County LTC assures that no person on the grounds of race, color or national origin, as provided by Title VI of the Civil Rights Act of 1964 and Civil Rights Act of 1987(P.L.100.259), be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any agency-sponsored program or activity. All documents and communications can be translated into non-English language as per the Limited English Proficiency (LEP) Plan.

The Mono County LTC further assures that every effort will be made to ensure nondiscrimination in all programs and activities, both federal and non-federally funded.

In the event that the Mono County LTC distributes federal funds to another entity, Title VI language will be included in all written agreements. Title VI compliance is a condition of the receipt of federal funds. The Mono County LTC executive director is the Title VI Compliance Manager and is authorized to ensure compliance with provisions of the policy and with the law.

The Mono County LTC acknowledges its responsibility for initiating and monitoring Title VI activities, preparing required reports, and other responsibilities as required by Title 20 Code of Federal Regulations 200 and by Title 49 CFR Part 21.

## ORGANIZATION

The Mono County LTC executive director is authorized to ensure compliance with the law and nondiscrimination by serving as the Title VI Compliance Manager. In support of Title VI compliance, the executive director will:

- Monitor and discuss progress, implementation, and compliance issues.
- Review the Commission's Title VI program to assess if administrative procedures are effective and adequate resources are available to ensure compliance.
- Forward all Title VI Complaints received to the appropriate state and/or federal agency.
- Assess communications and public involvement strategies to ensure adequate participation of impacted Title VI protected groups and address language needs as necessary.

## TITLE VI STATEMENT

The Mono County LTC fully complies with Title VI of the Civil Rights Act of 1964. The website, [www.monocounty.ca.gov/ltc](http://www.monocounty.ca.gov/ltc), may be translated into multiple languages. Publications and other public documents may be made available in alternate languages and formats if requested. Mono County LTC meetings are always held in ADA-accessible facilities and in transit accessible locations when possible. Auxiliary services can be provided to individuals who submit a request at least seven days prior to a meeting. Requests made within seven days will be accommodated to the greatest extent possible. Any person who believes to have been aggrieved by an unlawful discriminatory practice under Title VI compliance manager and/or the appropriate state or federal agency within 180 days of the alleged discriminatory occurrence. For more information on the Title VI program, or to obtain a Title VI complaint form, please email [mmahaffey@mono.ca.gov](mailto:mmahaffey@mono.ca.gov).

## PROGRAM AREA RESPONSIBILITIES

The Mono County LTC is responsible for all transit and transportation programs in Mono County and the Town of Mammoth Lakes. These programs and responsibilities include:

Transportation Planning - Mono County LTC, Mono County & Town of Mammoth Lakes

Transportation Project Implementation - Mono County LTC, Mono County & Town of Mammoth Lakes

Transit Planning - Mono County LTC, Mono County, Town of Mammoth Lakes & Eastern Sierra Transit Authority (ESTA)

Transit Implementation - Mono County LTC, Mono County, Town of Mammoth Lakes & ESTA

## COMMUNICATIONS AND PUBLIC INVOLVEMENT PROGRAM

Transportation Planning is the process of identifying transportation problems and looking for solutions to those problems. Transportation Programming is the commitment of transportation funds that are available over a period of several years to particular projects. It is the policy of the Mono County LTC to solicit public opinion and consider public comment for all Transportation Planning and Programming. This is done through regularly scheduled Mono LTC meetings. Educating the public on how transportation decisions are made at the regional level is a priority. To help the public understand transportation planning, the Mono County LTC presents materials in clear, understandable and accessible formats.

## LOCATIONS WHERE NOTICE IS POSTED:

The Mono County LTC website is located at: <http://www.monocounty.ca.gov/ltc>. All contact information, location information, agendas and minutes can be found on the website. The Mono County Title VI Compliance Plan can be found on the website by [clicking here](#).

The Eastern Sierra Transportation Association is the subrecipient for all Transit. The ESTA website has all station stops and details of all Transit vehicles and can be found at: <https://www.estransit.com/routes-schedule/>.

The following principles will be used to develop the Public Involvement Plan for transit projects and programs:

- When a project (e.g., construction activity) may affect a community, special community meetings will be scheduled early in the project planning process. Notices will be sent to organized community groups and any individual who has requested notification.
- All public hearing notices shall be written in clear, concise and understandable language and incorporate graphics when it aids the message. The notices will clearly be identified as an Eastern Sierra Transit notice.

## MAJOR PROGRAMS

Federal laws and regulations require the formation of a Regional Transportation Planning Agency for the Mono County region to facilitate a comprehensive, coordinated and continuing transportation planning program. The major programs that reflect the Title VI policy are as follows:

- Mono County Overall Work Program
- Regional Transportation Improvement Program
- Regional Transportation Planning
- Consultant contracts

Intimidation or retaliation of any kind is prohibited by law. These procedures do not deny the right of the complainant to file formal complaints with other state or federal agencies, or to seek private counsel for complaints alleging discrimination. These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the complainant. Every effort will be made to obtain early resolution of complaints at the lowest level possible.

## APPENDIX C: LEP PLAN (Limited English Proficiency)

The Limited English Proficiency Plan has been prepared to address the Mono County LTC's responsibilities as a recipient of federal financial assistance as they relate to needs of individuals with limited English proficiency language skills. Executive Order 13166, "Improving Access to Services for Persons with limited English proficiency," indicates that differing treatment based upon a person's inability to speak, read, write or understand English is in fact discrimination. Title VI of the Civil Rights Act of 1964 directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that discrimination does not take place. This order applies to all state and local agencies that receive federal funds.

### FOUR-FACTOR ANALYSIS:

- i. *The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or recipient is 22.4% of the Mono County population.*

The U.S. Census Bureau's American Community survey data shows that among the area's adult population, 77.6% speak English only, 89.9% of Mono County residents speak English very well, and 10.10% speak English "less than very well." In Inyo County, with whom we share a border, 85.1% speak English only, 94.3% of Inyo County residents speak English very well, and 5.7% speak English "less than very well."

- ii. *The frequency with which LEP persons come into contact with the program.*

The Mono County LTC staff reviewed the frequency with which the commission and staff have, or could have, contact with LEP persons. This includes phone and in person. Since 2005, Mono County LTC has had minimal requests for translated program documents.

- iii. *The nature and importance of the program activity, or service provided by the program to people's lives.*

The Mono County LTC is a Regional Transportation Planning Agency whose Transit services are provided through the Eastern Sierra Transit Authority (ESTA). The RTPA is a vital part of creating policy. The majority of the population speaks English only. And 89.9% speak English very well. Consequently, there are very few organizations that focus on LEP public outreach.

- iv. *The resources available to the recipient for LEP outreach, as well as the costs associated with that outreach.*

The Mono County LTC provides language assistance services by including an option for machine translation into multiple languages. The LTC provides notice to an LEP person about the availability of language assistance by providing materials on the LTC website that includes options for interpretive services. If the target audience is expected to include LEP individuals, the documents, meeting notices, fliers, and agendas will be printed in alternative languages based on the known LEP population. Interpreters will be available as needed. The agency monitors, evaluates and updates the language access plan annually to ensure that all needs are met. Additionally, the Mono County LTC trains employees to provide timely and reasonable language assistance to LEP populations. The language access plan is reviewed annually and changes are made as needed. The Mono County LTC trains employees by informing them of fair practices in accordance with all labor laws and fair practices. The Mono County LTC provides language assistance services based on need in any desired language.

### **Safe Harbor Provision**

The Mono County LTC has adopted the Department of Justice’s Safe Harbor Provision, which outlines the circumstances that can provide a “safe harbor” for recipients regarding translation of written materials for LEP populations. The Safe Harbor Provision states that, if a recipient provides written translation of vital documents for each eligible LEP language group that constitutes 5% or 1,000 persons, whichever is less, of the total population of persons eligible to be served or likely to be affected or encountered, then such action will be considered strong evidence of compliance with the recipient’s written translation obligations. The intent is to provide meaningful access by LEP individuals to critical services and programs while not imposing undue burdens on recipients.

## APPENDIX D: PUBLIC PARTICIPATION PLAN

### LTC Citizen Advisory Committees

Public participation during the transportation planning process is provided through committee meetings, public workshops, and outreach programs. The County's Regional Planning Advisory Committees (RPACs) serve as citizens advisory committees to the LTC to identify issues and opportunities related to transportation and circulation in their community areas and to develop policies based on the identified needs. The purpose of the citizen advisory committees is to ensure that Mono County develops a transportation plan responsive to the changing needs and desires of its citizens, as well as to the users of the system. Outreach is conducted at least once a year during the Unmet Transit Needs process and at active Regional Planning Advisory Committees (RPAC) and Community Advisory Committee (CAC) meetings. There are planning advisory committees in Antelope Valley, Bridgeport Valley, Mono Basin, and June Lake. Other community meetings and/or RPACs for Long Valley, Swall Meadows, and Tri-Valley (Benton/Hammil and Chalfant) are conducted on an as needed basis

In addition to regularly scheduled citizen advisory committee meetings, the LTC holds public information meetings and workshops to address specific transportation issues, projects, and planning processes. These meetings have addressed pedestrian safety on Highway 395 in Lee Vining and the Highway 395 widening process in the Mono Basin; livable communities in Crowley Lake, Mammoth Lakes, June Lake, Lee Vining, and Bridgeport; 4-laning of 395 in the Antelope Valley; and other transportation issues.

The LTC has also partnered with Caltrans District 9 in Bishop to develop new methods of outreach for local residents. Caltrans has drafted a Public Participation Plan and similar policies have been included in this RTP. Outreach efforts focus on providing local residents with easier access to information concerning transportation projects in the region in order to increase community participation in the planning process. These efforts have included websites established by both Caltrans and the LTC, in addition to the public information meetings discussed above.

### Town of Mammoth Lakes Advisory Committees

#### *Planning Process*

The Town of Mammoth Lakes uses the Planning and Economic Development Commission Mobility Committee to assist in addressing transportation issues and/or transit needs within the Town of Mammoth Lakes. Dates and times are scheduled by town staff or at the request of the committee. Committee members include two members of the Planning and Economic Commission, a representative from the Local Transportation Commission, a representative of the Chamber of Commerce and a representative of Mammoth Lakes Recreation.

### Collaborative Planning Team

The Collaborative Planning Team is a multi-agency planning team that coordinates planning efforts in Mono County for a variety of needs (e.g. jobs, transit, recreation, wildlife mitigation and enhancement, etc.). It includes representatives from the following organizations:

- Benton Paiute Reservation
- Bridgeport Indian Colony
- Bureau of Land Management, Bishop Field Office
- California Department of Fish & Wildlife
- California Department of Transportation (Caltrans), District 9
- Lahontan Regional Water Quality Control Board
- Los Angeles Department of Water & Power
- Mammoth Lakes Town Council
- Mono County Board of Supervisors
- Mono County Community Development Department (Building, Planning, Code Compliance)

- National Park Service/Devils Postpile
- National Park Service/Yosemite
- U.S. Forest Service/Inyo National Forest
- U.S. Forest Service/Humboldt-Toiyabe National Forest
- U.S. Fish & Wildlife Service/Nevada office
- U.S. Marine Corps Mountain Warfare Training Center

The team meets quarterly to discuss a wide variety of ongoing and proposed projects.

### **Tribal Consultation**

Mono County has several Native American communities located in Antelope Valley, Bridgeport, Mono Basin, and Benton. The two federally recognized tribes, the Bridgeport Indian Colony and the Benton Paiute Reservation, have small tribal housing areas and residential roadways. Input concerning their transportation system needs was provided through use of the transportation plans prepared by the Bureau of Indian Affairs for the Bridgeport Indian Colony and the Benton Paiute Reservation.

Outreach is conducted periodically to the Bridgeport Indian Colony and Benton Paiute Reservation. In addition, the Benton and Bridgeport communities are members of the Collaborative Planning Team (see above) and participate in planning discussions on an ongoing basis. Regional Planning Advisory Committees (see above) in the Antelope Valley and the Mono Basin provide a regular forum for input from Native American residents in those areas. Ongoing outreach programs to all of the county's Native American communities provide additional input concerning tribal concerns, e.g., the County is currently working with the Bridgeport Indian Colony to coordinate transportation issues for the tribe's expansion plans.

The Kutzadika'a Tribe in the Mono Basin has become more active in recent years and is working on federal recognition. The tribe will be included in current and future outreach efforts.

### **Disabled Population**

Input from persons with disabilities was provided through the Unmet Transit Needs hearing process and through consultation with social services providers serving the disabled population in the county [e.g., the Inyo-Mono Area Agency on Aging (IMAAA) and Mono County Department of Social Services.

## APPENDIX E: LIST OF COMPLAINTS OR LAWSUITS

No complaints or lawsuits have been filed or are pending.
