

Should the fishing season be expanded?

Ron Gilson link between the rodeo grounds and the businesses that are gone and remaining. Those that are gone are locally oriented? How do we develop enough to support local business?

Answer affordable housing will be created by development - some stores will be alive with several hundred people.

Pharmacy using mail order make local stores not feasible

Lynn

Visitor study

On mountain survey 1.2 million visitors

81% is from southern california

June Lake demographics - age 38 mL 43 due to snow boarder

DW what happens if no actions are taken?

When does the system get filled

Ron Gilson: 2 markets

June and Mammoth needs to be differentiated

Presentation designed about air service but there is a migration path
