

June Lake Coalition Description Draft 5-01-06

Purpose

The June Lake Coalition is a group of diverse stakeholders who will work closely with each other and related specialists to find a way to balance economic viability and protection of our natural environment in a way that reflects our history and sets the stage for our children to be able to thrive here. The consensus seeking Coalition will negotiate among themselves to identify mutually beneficial planning solutions for June Lake and will develop specific recommendations for the Mono County Board of Supervisors.

Decision-Makers

Mono County Board of Supervisors will make final planning decisions using recommendations provided by the June Lake Coalition.
