This notice informs County Welfare Departments that the United States Department of Agriculture, Food and Nutrition Service (FNS) has issued the Federal Fiscal Year (FFY) 2022 Disaster Supplemental Nutrition Assistance Program (D-SNAP) Income Eligibility Standards and Allotments for the period of October 1, 2021 through September 30, 2022.

DISASTER GROSS INCOME LIMIT

Each year, FNS establishes the Disaster Gross Income Limit (DGIL) for use by State agencies to determine eligibility for D-SNAP, referred to as Disaster CalFresh (D-CalFresh) in California. The DGIL combines the maximum monthly net income limit, the maximum standard income deduction, and the maximum capped shelter expense deduction for the current federal fiscal year.

The following computation table demonstrates how FNS computes the DGIL for a **one-person** household for FFY 2022 (October 1, 2021 through September 30, 2022):

DGIL COMPUTATION (FOR A HOUSEHOLD SIZE OF ONE)

Net Income and Deductions	Amount
Maximum Monthly Net Income Limit for household size of one (100% of Federal Poverty Level)	+ \$1,074
Maximum Standard Income Deduction	+ \$177
Maximum Shelter Expense Deduction	+ \$597
Disaster Gross Income Limit	= \$1,848

Disaster Supplemental Nutrition Assistance Program (D-SNAP) Fiscal Year (FY) 2022 Income Eligibility Standards

The Food and Nutrition Service (FNS) establishes the following income standards for use by State agencies to determine eligibility for D-SNAP, as well as the maximum allotment eligible households may receive based on their size. These tables give the standards for FY 2022 (effective October 1, 2021 through September 30, 2022).

Option 1: Disaster Gross Income Limit (DGIL)

The Disaster Gross Income Limit (DGIL) combines the SNAP maximum monthly net income limit, the maximum standard income deduction, and the maximum capped shelter expense deduction for the current fiscal year. In order to be eligible under DGIL, a household’s take-home income and accessible liquid resources during the disaster benefit period, minus disaster expenses as determined by the State agency, must not exceed the income limit for its size.

Option 2: Disaster Standard Expense Deduction Option (DSED)

State agencies may simplify calculating eligibility for D-SNAP by using the Disaster Standard Expense Deduction (DSED), which uses a standard amount for a household’s disaster expenses, which includes food loss.

Note: Only households with actual, unreimbursed disaster expenses equal to or greater than \$100 may qualify using DSED. DSED cannot be used when food loss is the only qualifying disaster expense.
